

New Client and Auto Re Order Sign Up and/or Associate Distributor Agreement

Date: 4/7/08

Thank you for being our Client and customer. To become an Associate Distributor, ✓ I want to sponsor people & receive a \$ check, below.

Dear New Client and/or Associate Distributor,

Welcome to Vision, Inc's. [Client, ARO, and Associate Distributor Programs](#). These programs allow you to order, share, or possibly promote our Top Quality Nutritional Products & earn compensation by sharing our products with your friends and contacts. You can be an ordering client, part time sponsor, or a committed Associate Distributor. You can earn money toward your own Nutritional Products or a sizeable residual income. Choose your abundance.

Residual Income Earned: When you like our products and want to share them, we will pay you 20% of the products ordered by your Clients. When your Clients in turn share these products with their friends and contacts we will pay them 20% of their Client's product order and we will pay you 10% of their Client's products ordered. This means you can share in the revenues generated on 2 levels. Payment of these funds shall be made with a Vision, Inc. company check or account credit for the person on this agreement. The check or credit shall be issued the 15th of each month. A commission report will be mailed each month. For commissions over \$50 a check will be sent, otherwise credits accumulate. Commissions are paid to an Associate Distributor as long as all requirements are met.

Requirements For An Associate Distributor: There are 4 requirements for an Associate Distributor. **1.)** Like our products and be our Client. **2.)** Call in a Client with an order for Vision, Inc. **3.)** Maintain an active Auto Re Order program (ARO) with one or more of the Vision, Inc. [For the most success, share samples with others interested in health.](#) [You can be a Client without becoming an Associate Distributor.](#) [Just order or start ARO.](#)

Automatic Re Order (ARO) Program Options: Please Check a Minimum of 1 in the check boxes on the 1st page to activate an Associate Distributor Program and keep it active. AROs are per product. Please write in **start date**.

Auto Re Orders can be changed, re-dated, or cancelled at anytime. Cancellation of **all** your AROs will terminate your participation in the Vision, Inc. Associate Distributor Program; thus, you will receive no check. **This is a flexible program, you can determine your own ship dates and advance or postpone ship dates with a call.**

You can have **more than one ARO program operating simultaneously** to assure that you receive the products and *free products* you want to receive. It can be good to take more than the minimum dose after any de-tox is finished. You can take more than the minimum maintenance dose of our products and receive healthy results beyond what is possible on a minimum dose. Our products offer immediate results, which many feel immediately, as well as long-term results, which build over time. For example it may take 3-7 mos. to balance your pH on **H** - depending on what your pH was when you started. After it balances your pH it will continue to maintain clean cell environments, give you energy and mental clarity, and reduce build up of plaques, as well as continue to maintain a balanced pH.

Our ARO program offers you generous product incentives to take more than the minimum dose.

You can make other fill-in orders, aside from your ARO by calling Vision, Inc. or on-line www.E3Live.com. If you are new please say who referred you. You cannot change your ARO on-line. When you acquire extra product, pass it along to others who want great health, for money or for fun.
